

KLM JTTL: Coordinators Roster and Contact Details

- **Team Managers:** Please take note of the coordinator for your tie each week. In case of an emergency you may need to contact. Please encourage your players to contact you, not the coordinator.
- The coordinators are employed by JTT. This person will be your team's point of contact for each tie. All issues or conflict during the tie will be managed by the onsite coordinator. Please refer to the rules regarding line calls, conflict etc.
- The coordinator will have all balls and score sheets.
- If you are unable to contact the coordinator for whatever reason then please contact Niki.
